

The Anointing

A word of encouragement for the R.O.A.R. Worship Arts Ministry

Beloved bride,

I believe the LORD has taken us to the next level in this ministry. Why? Because ABBA is pleased with our worship and the fragrance of that worship is reaching Heaven. Sometimes I long to stay wrapped in His presence and dance the night away with Him, don't you?

*I am my beloveds, and my Beloved is mine; He feeds among the lilies.
Song of Songs 6:3*

You and I have been called to higher fires and we must realize that fire is going to be hot! There's a purification process that has to happen to reach our destinies in Him. The only way this will happen is when each one of us yields our life fully to Him (we humble ourselves); we must let the fire burn away those things that are not pleasing to Him. The self life must go... Beloved, can you hear Him calling? Let your heart respond to that gentle nudge of His Spirit to press on.....

*I press toward the mark (goal) for the prize of the high calling of God in Christ Jesus.
Philippians 3:14*

There is a place, a secret place that we can go to and become strengthened and refreshed, leaving the cares of this world behind. Maybe it's time you take a journey there (I did)? ABBA, please remove those things that are not pleasing to you, I want to serve and adore You with every fiber of my being. Forgive me for not keeping my heart and mind stayed on thee. I love you ABBA. Thank you for the secret place. Amen...

As we minister in the WORSHIP Arts, the **anointing** that breaks the yoke becomes evident.

And it shall come to pass in that day, that his burden shall be taken away from off your shoulder, and his yoke from off your neck and the yoke shall be destroyed because of the anointing. Isaiah 10:27

Remember, Adonai has taken us to the next level and in that level, **there is a demand on the anointing**. What does this mean for each of us?

There will be pressure on flesh and flesh definitely doesn't like it one bit!

The Anointing

Our flesh will attempt to rule us, BUT...we must resist and press toward the mark. Our spirit must become One with God's Spirit, the Holy Spirit and then the power of His **anointing** will break things open in our lives as well as others lives. That is one of our goals as a ministry, to minister to others by roaring with our movement, colors and worship tools which helps others to move in freedom, breaking those chains off their lives.

We know that roaring = revelation. So, as we ROAR, God will reveal things in people's hearts and they will be set free because of God's **anointing**. We cannot make the **anointing** happen (that is the flesh talking right there). Beloved, we must stay humble and have a submitted heart to ABBA. We must recognize when the flesh wants to rule us, speak to it immediately to line up with the Word of Yahweh (God).

In summing this up, let me encourage you to press into ABBA. He will make a way where there seems to be no way, even when the pressure seems unbearable, stand your ground. Watch your God move on your behalf and things just seems to fall into place, amen? Sometimes you gotta JUST DO IT! Personally, I have seen this happen over and over again. I will say something like; "LORD I cannot take, nor do one more thing!" BUT... GOD!!!!!! His **anointing** will break the yoke in your life and mine.

What's the key? "YIELD"

"It is the Father (ABBA) ... who is doing His work." John 14:10

In His Love, Lora

Beloved, keep Miss Lynn the director of this ministry in your prayers. God has anointed her to teach and lead this ministry and she is a tremendous blessing to the body of Christ through her yielded heart to ABBA and her worship.
