

A Poem

## Red Breasted Robin

Red breasted robin how proudly you sing,  
A sweet harmony of the season you bring.  
Treetop to treetop you playfully roam,  
Onward you'll fly to your destined home.

Red breasted robin you are a welcomed sight,  
Gathering together from morning till night.  
Soon it's time to continue your journey,  
Stay a little longer don't be in a hurry.

Red breasted robin we bid you farewell,  
Soaring to blue skies where you usually dwell.  
Until this time again next year,  
We await again your song of good cheer.
